Summary

I recently completed my Level 7 Bachelor's Degree in Graphic Design with a major in Interactive Design at Media Design School, graduating with a consistently high grade and several projects receiving industry recognition. My practice is intentionally multidisciplinary, combining photography, interactive design, and human-centred thinking to create work that is both visually engaging and emotionally resonant.

Experience

DDB Aotearoa, Auckland 22/01/2026
Design Intern Current
Dean Pomfrett – LinkedIn

Supporting product design work, web initiatives and daily creative tasks, working collaboratively within a design team to produce thoughtful, high-quality solutions.

Freelance Photography, Auckland 08/02/2020
Self-Employed Photographer 24/11/2024

Worked as a self-directed portrait/event photographer, balancing time management and independent workflow while adapting to a range of clients and environments.

Whitcoulls, Pukekohe / St. Lukes 19/03/2021
Store Supervisor 26/04/2023
Steven Clark – 021 295 5333

Took on leadership and management responsibilities and supported the sales team with day-to-day customer service and general store operations.

* *Special Note:* Less related work was held throughout these periods but not listed, contact me for more info on these roles.
